Our Approach

COMMITMENT

We are committed to improving the quality of life and standard of living for people in the communities we develop. We do not rest on our accomplishments but rather build on them to be the best we can.

ACCOUNTABILITY

We are personally responsible for delivering on our commitments as teams and as individuals.

TEAM SPIRIT

We work together, across boundaries, to meet the needs of our customers, clients, shareholders and associates to help the company win. We create a "can do" spirit.

INTEGRITY

We do the right thing in a reliable way, creating value both for our business and for our communities. We demonstrate honest, ethical behavior in everything we do.

PROFESSIONALISM

We demonstrate respect, moderation, objectivity, productivity and effectiveness in all that we do.

Registration Approval Letter

May 01, 2024

Attention : HIGH HORIZONS TRADING ESTABLISHMENT

CR Number : 2050051105

Supplier Type: Materials Vendor + Service Provider

Country : Saudi Arabia

We are pleased to inform you that HIGH HORIZONS TRADING ESTABLISHMENT is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10112843, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor Supplier Registration Unit Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

- 1. Change of Name / Commercial Registration Number / Address / Owner(s)
- 2. Any change of the supplier location
- 3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com

QHSE Policy

Quality

- Understand and meet the requirements of our stakeholders, employees, consultants, contractors and clients.
- Continually improve our processes and services.
- Comply to regulatory requirements and applicable international standards and codes related to quality.
- To ensure improvement in competencies of the employees and provide opportunities for growth.
- Actively seeking new and creative ways of enhancing and increasing our levels of customer service with a professional attitude towards our commitment to solving their needs.
- The company's activities, products and services are documented within our management system to control risks and mitigate quality impacts.

Health & Safety

- Provide and maintain safe premises and ealthy working environments for a employees and stakeholders.
- Ensure effective assessment of risks and apply measures to control them.
- Comply to regulatory requirements and applicable international standards and codes related to health and safety.
- Identify the potential hazard and ensure arrangements are made to control the associated risks.
- Provide information, instruction, training and supervision to ensure that employees are able to carry out their work safely, which will be reviewed periodically or when there are any significant changes that may affect the health and safety.
- Reduce and continue to improve the accident frequency rate (AFR) and reduce lost time injury frequency rate (LTIF).

Environmental

- To take every effort to prevent pollution by reducing emissions, preventing spillage, minimizing wastage and re-use and recycling wherever possible..
- As appropriate, take corrective action where past practices have harmed the environment to minimize risk to the environment.
- Comply to regulatory requirements and applicable international standards and codes related to environment.
- Ensure continues improvement in our processes to prevent pollution of air, land and water.

Sustainability Policy

High Horizons is committed to the practical principles of sustainability. It is our policy to integrate and balance social, environmental and economic considerations with the goal of building a better quality of life for all stakeholders and raising standards for the industry.

It is High Horizons objective to:

Train & Recruit discipline engineers and BIM modellers.

Enhance the natural environment, wherever possible.

Consider the needs of all stakeholders and ensure our actions affect them positively.

Effectively demonstrate that the company adheres to a strict code of corporate ethic and takes responsibility for its actions.

Be an example of social progress.

Promote the skills of our industry to future generations to ensure we have a large well-qualified base of potential employees

Provide and construct safe, healthy and productive environments.

Thank You for considering High Horizons,

We look forward to working with you.
